

Gift Voucher Policy

REDEMPTION TERMS & CONDITIONS

Tithe Barn is under new management, following the departure of the previous operators. Gift vouchers still in circulation were sold and paid for under that previous management, and no funds relating to them were passed on to us. As a goodwill gesture to our customers — and through no fault of our own — we are nonetheless honouring these vouchers under the terms set out below.

1. Only serialised vouchers in denominations of **£5, £10 or £20** are eligible under this policy. Vouchers issued for a specific event or dining experience fall outside this policy and will not be accepted.
2. Vouchers are accepted at their **original face value**.
3. A voucher may be redeemed against a **maximum of 50%** of the total bill value.
4. **No change** will be given against any voucher.
5. Vouchers are valid for redemption up to and including **December 2027**.
6. Vouchers cannot be used against **seasonal events or promotional offers**.
7. Vouchers may only be redeemed against **dine-in bills**.
8. To validate a voucher ahead of your visit, please email a clear photo of it to **info@tithebarn.com**.

EXAMPLE

On a **£50** bill, a single **£20** voucher may be redeemed in full, as £20 falls within the 50% (£25) maximum.

We appreciate your understanding, and we look forward to welcoming you to Tithe Barn.
